

*P*lanet Mars (*Mangal*) presides over Tuesday. *Mangal* is considered to be the God of War. He is a troublemaker at heart.

Tuesday is a day to try to avoid conflicts - so be extra nice to your parents and your friends!

Red is the color today.

*T*he Moon (*Chandra*) presides over Monday. The Moon is said to be a storehouse of *Soma* - an elixir of immortality that purifies the body, soul and intellect.

Monday is therefore a day associated with knowledge and purity.

White is the color today.

*P*lanet Jupiter (*Brihaspati*) presides over Thursday. He is the Guru of the Devas - the embodiment of knowledge and religion.

Thursday is therefore a day for learning, prayer and meditation. Pay close attention to your teacher today!

Yellow is the color today.

*P*lanet Mercury is the boss on Wednesday. He's called *Budh*. *Budh* is compassionate and generous and represents communication and language skills.

*Budh* can also bestow luck - wait and see what Wednesday brings you!

Green is the color today.
